PAST PARTICIPANTS SPEAK

“Leadership Northwest was a life-changing experience for me! The program challenged me to expand my thinking and blessed me with amazing friendships and an incredible network of like-minded leaders looking to make a difference. I can’t quite find the words to express the impact that this journey has had on my life, both personally and professionally, but I can confidently say that it helped me rediscover my voice, my value and made me strive to be an all-around better wife, mom, leader and coworker.”
Shelbie Alexander, Linn County

“Leadership Northwest Missouri is an outstanding program for individuals seeking to develop leadership skills while giving back to their communities in meaningful ways. As a participant, I got to experience the diverse communities and economies that drive Northwest Missouri, and it has given me valuable insight and practical tools to improve my local area. Honestly, one of the biggest benefits is the relationships built during the course, and I know those will last long after the program ends.”
Mike Hill, DeKalb County
